#### **Executive Vice President and Chief Operating Officer at FedEx Employees Credit Association**

The FedEx Employees Credit Association, the credit union for FedEx employees and their family and household members is excited to announce the addition of Tina McMinn to its leadership team as Executive Vice President and Chief Operating Officer. Ms. McMinn's credit union career started here in the Mid-South with 8 years in local credit unions before she moved to California where she spent the last 14 years working for Stanford Federal Credit Union in Palo Alto. As SFCU grew from a 325 million dollar credit union to a 1.4 billion dollar credit union Ms. McMinn held a number of positions most recently serving as Vice President of Operations. Originally from Desoto County, MS, Ms. McMinn is happy to be home in the Mid-South where she graduated from Horn Lake High School, and earned her BA at the University of Memphis. Ms. McMinn also holds a Master's Degree in Public Administration from Notre Dame De Namur University. Ms. McMinn is a passionate advocate for the credit union movement, and she is excited about the opportunity to make a difference for the members of Memphis' largest single sponsor credit union.
