

USA PATRIOT ACT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What This Means for You

When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. Information obtained will be used for legal compliance purposes only.

At FedEx Employees Credit Association, your privacy and account security is our top concern.

We appreciate your help in fighting the war on terrorism.
