

FedEx Employees Credit Association

2nd Quarter 2017

Making a Difference

“People helping people” - it’s the credit union philosophy and one that we as an organization strive to live. We recognize that our time and financial resources can make a positive impact. Our employees donate their time and energy to some great causes each year. Whether it’s feeding the homeless, serving at an underprivileged school, delivering meals to the elderly and homebound, or supporting a local food drive, we strive to make our communities better across the country.

Children’s Miracle Network

With the support of our very generous members and a matching donation from the Co-Op Miracle Match program, we were able to raise over **\$29,000** for Children’s Miracle Network hospitals so that they may continue their mission of treating children who may not otherwise have access to medical care. Our donations support LeBonheur Children’s Hospital, Children’s Hospital of LA, Children’s Hospital of Pittsburgh, Riley Children’s Foundation in Indianapolis, IN, and Cox Health in Springfield, MO.

FedEx Family House

To kick off our new relationship commitment to FedEx Family House, we were proud to present them with a check for \$50,000 to assist those families whose children are going through treatment. We look forward to planning activities and participating in events to offer support to these brave patients and their families.

Community Service

In 2016, our employees donated almost **500 hours** of their time to various organizations in their communities.
