

## REX GETTING STARTED

REX is the name of our online banking service. REX Anywhere is the name of our mobile services (or what's available on our app). RAD (REX Anywhere Deposit) is our mobile check deposit feature.

Get started by visiting [fecca.com](http://fecca.com).

### **STEP BY STEP SETUP**

---

1. Sign up from the "View My Account" box at the upper right of any page.
2. Click "Enroll" and follow the prompts [these include reviewing and agreeing to our online banking terms and conditions; entering your social security number; entering your account number; entering your email address and personal information]. Complete all fields and hit "Submit."
3. Click the "Send Email Verification" button to enable us to send an email verification.  
***To avoid this email going to your spam folder, be sure to add fecca.com to the recognized list of domains in your email system. Otherwise, remember to check your spam folder for our email.***
4. When you receive the email, click the link provided (you'll be taken to the login page again). Create a user name (a temporary password will be provided) and select "Login."
5. When prompted, change your password. You'll also select a personal icon/image, and choose security questions [select one question from each of the three dropdown menus and enter an answer]. Click "Submit," review your info once more, and click "Confirm."
6. Once you click "Continue" again, your setup is complete! You'll see your "Account Summary" screen. You may be prompted to validate your email one last time for alert purposes.

***If you have any questions or difficulties logging in, call us 800-228-8513 or 901-344-2500 (from the Memphis area). You can also contact us via email at [esolutions@fecca.com](mailto:esolutions@fecca.com)***
