MISSION: DON'T PAY MORE THAN YOU HAVE TO

Fees are all around us. You'll need to pay an admission fee to get into an amusement park, a rental fee to rent ice skates, or maybe a monthly fee for using an online gaming service. Fees like that are **UNAVOIDABLE** if you want to use those services.

There are also other types of fees that are **AVOIDABLE** and only charged when a rule or agreement is broken. For example: you may need to pay a late fee for an overdue library book. **AVOIDABLE** fees waste money. Check out the following list of fees. Write an "A" if they're **AVOIDABLE**, or "U" for **UNAVOIDABLE**.

- A fee for returning an overdue library book.
- A fee to rent bowling shoes.
- A repair fee for a scratched video game rental.
- An Entrance fee at a petting zoo.
- A fee for returning a rental bicycle one hour late.
- An on-demand movie rental fee.

BONUS ACTIVITY: To avoid fees, you need to know where they are hiding. We've scattered 10 one dollar bills throughout this newsletter to represent **AVOIDABLE** fees. Can you find all ten "Hidden Fees?"
